"There's something about cocktails that turns
the ordinary into the extraordinary."

F. Scott Fitzgerald

Year after year, Benidorm Gastronomy shows that our cuisine is much more than just another tourist attraction: it is a reason to visit in its own right. And what can be an excellent complement to memorable moments around a table is a cocktail, and in this competition you'll find the very best. I invite you to enjoy new sensations and culinary creations. Cheers.

TONI PÉREZ
Mayor of Benidorm

“The best ingredient in every cocktail is the talent of those who create it.”
